Dear Professor Jovanovic, dear Dr Karadjinovic,

Thank you for your email of 24 January 2011 regarding the participation of Doctors Against Corruption in the preparation of Serbia's answer to the Commission's questionnaire. The Commissioner has asked me to reply on his behalf.

The Commission is pleased to learn that the Serbian authorities' invitation to participate in this process is being taken up by civil society organisations. The Commission would encourage as many civil society organisations as possible to respond to similar such invitations in the future.

Yours sincerely,

Myriam Verger
