

BIO M E R I E U X

## TO WHOM IT MAY CONCERN

I, the undersigned, Nico STRICK, certify that the Instrument DaVinci Quattro, ref number 200408, and the applied software version 6.12 are not IVD medical devices and are designed as closed systems. On this software only BioMerieux reagents are applied and the protocols are password protected. Those protocols are CE validated.

BioMerieux does not allow any software or protocol change which are not done by BioMerieux company.
